On November 6th at 1:46 pm EHT Police received and call for service that two vehicles were on fire in a wooded area off of Decadon Road known as Decadon Pit.

Two vehicles; a 2007 Chevy Impala and a 97 Jeep Wrangler were found a blaze in the woods after being smashed into one another.

Bargaintown Fire Department responded and extinguished the vehicle fires with their brush trucks.

One vehicle had just been reported stolen from Atlantic City. The second vehicle was reported stolen from Hamilton Township the previous night.

Preliminary investigation leads detectives to believe that the stolen vehicles were driven to the pit where they were damaged by running into one another before being set on fire. Further Invest to follow.
